

Global Gardens of Peace Donor Form

Global Gardens of Peace is an Australian charity with a mission to design and deliver living landscapes as a foundation to support vulnerable communities around the world. With the philosophy that 'Gardens are Forever' we believe that living landscapes provide people with inspiration, healing and growth, and play an important role in rebuilding and uniting these communities. We can only achieve these goals with the assistance of generous donations from members of our community. Help us to plant the Seeds of Hope and make a difference to the lives of those in vulnerable communities by making a donation today.
